#### **REFEREES:**

1. Both coaches shall referee the game unless mutually agreed upon officials are chosen. Officials shall complete the game.
2. If there is a sub-zone playoff, the two schools involved will mutually agree upon and arrange for a neutral field and referee(s).

#### **GAME TIME:**

Games will be played at 15:30 hours, and every effort should be made to START each game on time.

#### **GENERAL POLICY:**

1. In all games, **the home team shall be responsible for the preparation of the field.**
2. **The home team shall be responsible for the general order of the playgrounds or gymnasium.** The visiting coach shall assist in maintaining proper conduct on the grounds and shall be responsible for the conduct of his/her own team.
3. In games played on **neutral grounds**, the leader or authorized official of the school shall be responsible for marking the grounds and maintaining order. Visiting teachers shall assist in maintaining order.
4. Unless otherwise agreed upon by both coaches, the **home team shall supply equipment** in good condition.

7. Each team must be under the charge of a teacher, child care worker, staff assistant, community school coordinator, vice principal, principal, or other education staff approved by the Principal from its own school. Failure to observe this ruling shall result in forfeiture of the game.
8. A parent and/or volunteer from the school may coach, but a school representative (from the aforementioned list of qualified people) must be present for the duration of the game. **The team sponsor must be on the bench (or sidelines for soccer) and is ultimately responsible for the conduct of the players, coaches and spectators associated with their team.** The final selection of staff to be in charge of school teams should be at the discretion of the school principal.

  - (ii) If this is unsuccessful, or the game continues without improvement or change, the non-offending coach should approach the offending coach and inform him/her that the game is being played under protest; and the incident will be reported to the President and/or Honorary President.
  - (iii) The Fast Action Committee of the Executive committee will meet with both coaches and the administrators of the schools to resolve the conflict.
11. Any team that fails to take the field within 15 minutes of the time appointed shall forfeit the game provided the opposing team is ready within that time. If a team is unable to play a scheduled game, they must contact the school involved by 14:00 hours of the day of the game or forfeit the game. The Executive shall rule upon the validity of extenuating circumstances.
12. Any pupil who is under suspension due to disciplinary reasons shall be **ineligible to play during the suspension.**
13. All games shall be played **according to the pre-arranged schedule** providing that the weather conditions are deemed appropriate by the referee or umpire. (see 6 above)

16. **All players will receive an equal share of playing time (per game) as is possible.**

In volleyball, 2 out of 3 games shall constitute a match. Zones may also be decided by round robin tournaments.
18. **That the VEPAA make every attempt to schedule the sport meetings at least three weeks prior to the commencement of each respective season.**
19. **Due to safety and liability**, all student athletes playing VEPAA sanctioned sports must be prepared to play wearing proper gym attire. Any clothing worn by participating students which is deemed unsafe by the referee and/or both coaches will not be permitted to participate.

Each Zone, as determined by the schedule, shall declare a champion.

#### **Tiebreakers**

The champion shall be declared at the end of regular season play. If, after the regular season, two teams are tied in points, the record against each other will determine first place.
