School

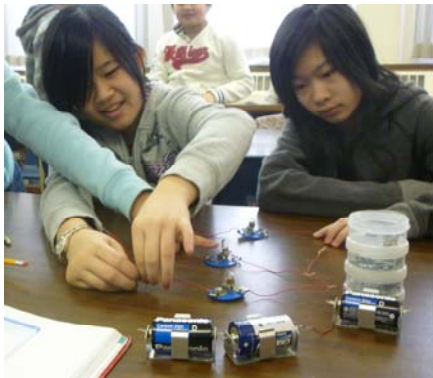

The artwork that appears in this brochure was created in 2011 by Grade 4/5 students who worked with their teacher and two Artists-in-Residence through the generosity of the VSB Betty Wellburn Artistic Legacies Grant.

A VSB Kindergarten to Grade 7 Focus School

Mission Statement

Through the commitment to cooperation and hard work, the students, parents and staff of Queen Alexandra Elementary School work together so that all students can succeed academically and socially in an emotionally nurturing environment.

Fine Arts Multicultural Integrated Learning for Youth

Project-based learning is a dynamic approach to learning in which students explore *real-life situations* while working in small collaborative groups.

This approach inspires students to gain a deeper knowledge of the subjects they are studying. Students are likely to retain the knowledge gained through this approach far more readily than through traditional learning. In addition, students develop *confidence* and *self-direction* as they move through both collaborative and independent work.

School Vision

Learning at Queen Alexandra School engages students in a project-based learning approach which focuses on the development of *critical thinking, problem-solving, collaboration and communication skills*. Through a focus on fine arts and multiculturalism, we will foster students' *creativity, self-expression and respect for diversity*. At Queen Alexandra, we strive to nurture the whole child to develop into *successful global citizens*.

Why choose Queen Alexandra Elementary School?

- Dedicated teaching and support staff
- Focus on Fine Arts (music, movement, drama, and visual arts) and multicultural perspectives
