

Theme: Colours of the Rainbow

Date: April 25, 2020

Hello StrongStart Families 😊

This weekend's email is put together by Teacher Cindy (from Cook) and Ms. Evina (from Collingwood).

Spring brings colour to the neighbourhood - pink flowers, green grass and blue skies! Let's start off with a Rainbow Song with Ms. Evina - <https://youtu.be/Tu6TJ2E1yLs>. Here are the lyrics below.

Red and orange and yellow and green, blue and purple too. I can sing a rainbow, sing a rainbow, sing a rainbow with you.

If you look, you will find colours of the rainbow all around us! The next time you go out for a walk, see how many different coloured flowers you can find!

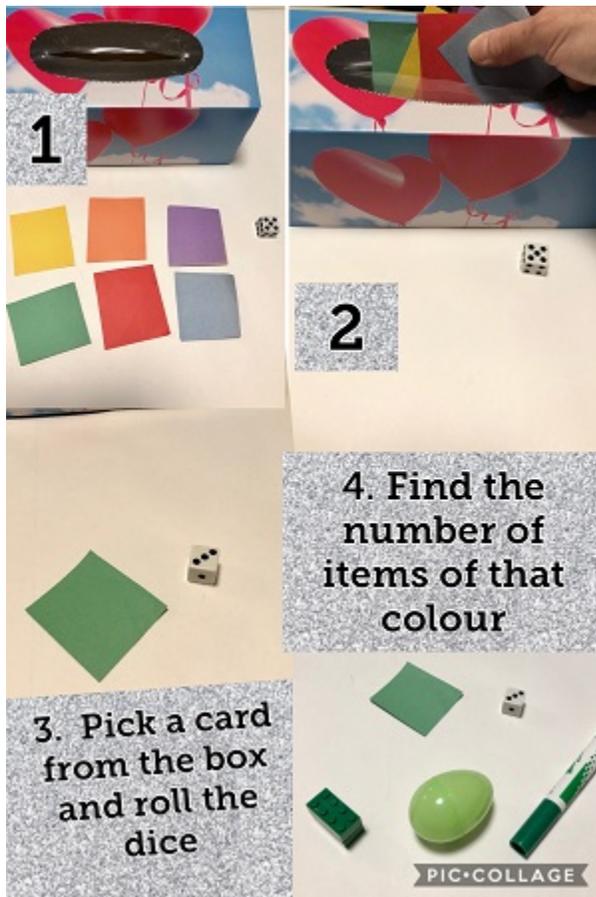

Colours are also around all your home. Here's a colour game you can try.

Supplies: You'll need coloured papers (if you don't have them, just colour white paper), a dice and a "mystery" bag/box.

Instructions: Cut out the different coloured paper into squares and place them into the box/bag. Take turns pulling out a coloured square. Then, roll the dice. The number on the dice is how many colored items (the square you picked) you have to find! For example, if you pick green and roll a 3, you'll have to find three green items.

Adaptation for younger children: Parents can put items of different colours into the bag and have your child pull out one item. Talk about the colour of the item!

To wrap up this email, join Ms. Cindy for a story book called "Cat's Colors"
