Date: June 2, 2020

Hello friends!

Today's email is by Ms. Linda (from Grenfell) and Ms. Stella (from Mackenzie) and they are back with the second part of their most requested songs and story!

Top songs from Mackenzie StrongStart - <https://youtu.be/atqkq9qISk>. This mini circle starts with Everybody Take a Seat, followed by Bread and Butter (a song about opposites). Ms. Stella also sings an echo-after-me song called On Top of Spaghetti and a fun little quack-quack-quack song. This video ends with See You Later, Alligator and a goodbye song.

Top story from Grenfell StrongStart - <https://youtu.be/ypm-6lUTqnw>. Ms. Linda leads a repeat-after-me song called I am a Pizza by Charlotte Diamond.

After this pizza song, let's try to MAKE a pizza. You can make an actual pizza to eat or you can make a pizza craft. Ask your children what we can use as the base. Recycled cardboard? Brown construction paper? What about the tomato sauce? Do we have something red like paint or markers? How about the toppings? What do they like on it? How can we make that? Could we cut out some pictures from grocery store flyers or takeout menu? You would be surprised what clever ideas these kiddos can come up with. Send us a picture of what you used to make your pizza craft 😊
