

Theme: Ice Cube Painting

Date: June 17, 2020

Good morning StrongStart friends,

Today's email is put together by Teacher Issette (from Mount Pleasant) and Ms. Joni (from Waverley).

As the weather gets warmer, you'll probably need a cool activity to do. Today, we will show you ice cube painting!

Materials: ice cube trays, food colouring (you can also use powdered drink packages like kool-aid), popsicle sticks and water.

Instructions: Add water and food colouring into the tray. Put the popsicle stick in and freeze overnight.

For a step-by-step video, follow Ms. Joni as she shows how to make it - <https://youtu.be/dGI2P36mEWk>.

If you need some inspirations about what to paint, you can read *Mouse Paint* by Ellen Stoll Walsh - <https://youtu.be/0vy1U4QbDBw>.
