

Theme: Watermelons

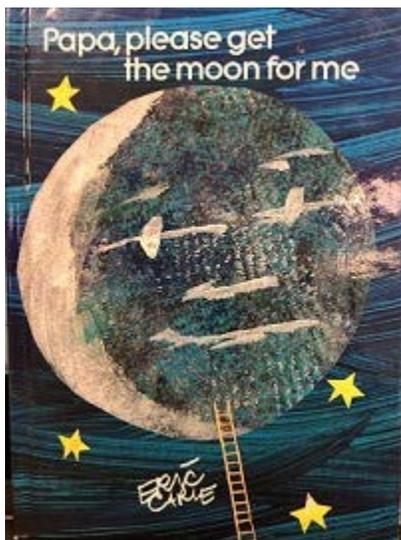

Date: June 20, 2020

Hello everyone!

Today's email is put together by Teacher Evina (from Collingwood) and Ms. Cindy (from Cook).

This Sunday is Father's Day so let's thank all the super dads, uncles, grandpas and brothers out there! Teacher Evina has a special book called "Papa, Please Get the Moon for Me" by Eric Carle - <https://youtu.be/dqZsHkidrJQ>

After the book, let's get some snacks. Like fruits! They are so yummy and there are so many kinds to choose from! Which one is your favourite? Sing this fruit song with Ms. Evina - <https://youtu.be/GvmqvwxmGQA>.

Ms. Evina mentioned watermelon in her song. On your next grocery trip, if you happen to buy a watermelon, you can make a watermelon sorbet or watermelon slush!

Watermelon Sorbet - 2 cups of cubed watermelon and 1/2 lime or lemon. Place ingredients in a blender and blend until smooth consistency. Transfer into a container and place it in the freezer

for one hour. Take it out and break it up with a fork or spoon. Put it back in the freezer for 3-4 hours and then, it's ready!

Watermelon Slush - Place cold, cubed watermelon in a ziploc bag and have your child squish the bag. Pour it out or simply cut a hole in the corner of the bag and let your child slurp it up!

If you don't have a real watermelon for the recipes, you can make your own paper plate watermelon!

Instructions:

- cut a paper plate in half
- you can 1) colour with paint, pencil crayons, markers, whatever you have at home or 2) tear coloured paper and glue it on

To finish our watermelon theme, Ms. Cindy will read a book about a watermelon seed - <https://youtu.be/t3J2jcWnnsu>.
