

Theme: Super Summer Fun

Date: June 25, 2020

Today's email is put together by Ms. Cindy (from Cook) and Teacher Evina (from Collingwood).

Are you ready for some super summer fun?! Let's join Teacher Evina for a circle time where she will read "Sea, Sand, Me" by Patricia Hubbell and sing "I'm a Little Fishy"

If you have some bubbles at home, give this bubble art a try! Simply add a few drops of food coloring to the bubble solution. Mix and stir well. Using the wand, blow the bubbles towards the paper. As the bubbles hit the paper and pop, they will leave interesting patterns! **Be careful, food colouring can stain surfaces and clothing.** Be sure to protect both!

When you play outside this summer, don't forget your hat and sunscreen. Oh, and your sunglasses...just like Pete the Cat! Join Ms. Cindy as she reads "Pete the Cat and his Magic Sunglasses" - <https://youtu.be/1XTgBoZqds0>
