

Theme: World Music Day Part 1

Date: June 1, 2021

Hello StrongStart friends,

Today's email is put together by Ms. Doris (from Selkirk).

World of Music Day takes place every year on June 21. It is a celebration of music across the world for the summer solstice, which is the longest day of the year!

Let's start our summer celebration with Ms. Doris and a song, called The Echo Song, on the piano - <https://youtu.be/phsc7Uhd-Zs>. This is a great song to warm up your voice!

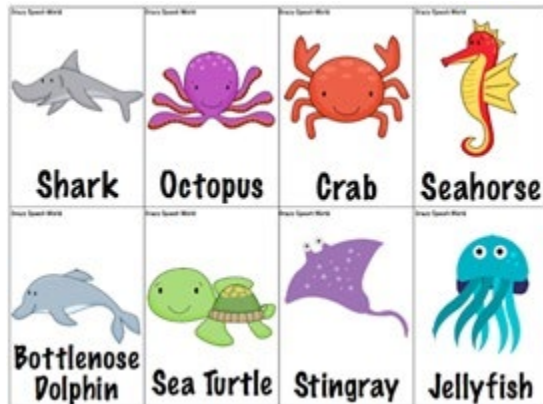

Now that we've warmed up our voices, we will sing and dance to warm up our body too! This one is called "Jump Up! Jump Down!" by the Learning Partnership, sung by Ms. Doris - <https://youtu.be/aFnJM0gTYKA>

There are many books that are based off songs and can be sung! For example, this singalong book is called "Over in the Meadow" illustrated by Jill McDonald and sung by Susan Reed - <https://youtu.be/C6ljGXMMB-g>. You can take this book and sing this song outside on a beautiful summer day. What kind of animals and bugs do you see?

Sometimes, on a sunny summer day, we may find ourselves on the beach! Here is Ms. Doris singing a fun song about ocean animals called "The Wave in the Sea" (to the tune of "The Wheels on the Bus") - <https://youtu.be/DDGg45gbhKU>

Stay tuned for our next email where Ms. Natalya will show you how to make musical instruments from common household materials 😊
