

When you are done making your squishy bag, let's sing a song called "Stirring Our Brew" with Ms. Maxine -<https://youtu.be/pDaDvIMgb4A>.

*Stirring and stirring and stirring our brew... (pretend to stir)*  
*Wooooo! Woooooo! (cups hands by mouth)*  
*Stirring and stirring and stirring our brew... (pretend to stir)*  
*Wooooo! Woooooo! (cups hands by mouth)*  
*Tip toe, tip toe.... boo!*

Another Halloween craft you can make is skeleton art! You will need some Q-Tips, glue and coloured paper.

**Hand X-Ray Craft:** Trace your child's hand onto the paper. Glue on Q-Tips for the bones.

**Different Animal Skeleton:** Trace out different animal outlines and glue Q-Tips as the skeleton.

If you want to learn more about skeleton and bones, join Ms. Doris for a book and a bone dance - <https://youtu.be/WQSIP3p6Lrc>
