

FLORENCE NIGHTINGALE ELEMENTARY SCHOOL

Acknowledges that we live, work and play on the unceded and traditional territories of the Coast Salish peoples – s̓kw̓wú7mesh (Squamish), selílwitlh (Tseil-Waututh), and x̣m̓əθḳʷəỵəm (Musqueam) nations

Dear Parents/Guardians,

Thank you very much for your ongoing patience and understanding as we worked through the various plans and schedule changes for a safe return to school. We continue to keep the safety of students and staff central in all of our planning and decisions. We look forward to seeing students, providing them with safety orientation including the importance of minimizing social contact but maintaining social connections.

Although a typical day may look different compared to previous years, our dedication to students, their safety and their learning remains the same. We are determined to **“keeping our Hawk Spirit Alive”** as the year unfolds and progresses. Please see schedule of restart plan for our in-person instruction families (option 1). Here you will also see information on some important reminders.

I want to thank our PAC for communicating pertinent information to our families via Facebook. We look forward to seeing our Nightingale Families!
Welcome back!

Ms. Morgan
Principal
