

Good afternoon Osler Community,

Today brings beautiful sun and spring like temperatures! A far cry from the snow many were waking up to yesterday. I find these days a wonderful reminder of what is ahead with Spring on the way!

[Pink Shirt Assembly](#)

Osler students conducted the Pink Shirt assembly for their fellow peers on Wednesday. The team worked collaboratively to provide context to the day as well as a skit, artwork and poems. I have included the link here for our option 4 students. The meeting was not recorded so the poems will not be included. Thank you to all the students who participated in this assembly. [.../..../Pink shirt day presentation.pptx](#) Your work is incredible!

Student Learning Survey formerly known as Student Satisfaction Survey

Please click on the link here [Student Learning Survey](#) if you as a parent wish to complete this survey. Parents can login without a number. Please select Sir William Osler school and the grade level of your child. Minimum computer requirements to take the survey:

Access to the Internet with basic bandwidth (56K bandwidth)

A web browser (Internet Explorer, Netscape, Firefox or Safari)

Basic memory (a minimum of 32MB RAM – 64MB is recommended)

Hard drive space (at least 40MB)

Thank you for your input.

Ms. Zolotarova has her sights set for the Olympics!

You may already know that our Grade 7 teacher, Valentyna Zolotarova, loves teaching Spanish Club at Osler, but did you know that Ms. Z is also an Olympic hopeful in karate? A dual citizen, Ms. Zolotarova is a member of the Jamaican Olympic Karate Team. This March she will have to leave for several months to pursue her lifelong Olympic dream of winning an Olympic Gold medal in karate. She will need to travel to compete in Turkey, Morocco, Portugal and Paris to qualify for the Tokyo Olympics which will take place in Japan this summer. We will miss her dearly and will be cheering her on until her return in September. It's not good-bye, it's "Hasta la vista!" If you would like to support Ms. Zolotarova on her Olympic Quest, you may do here <https://www.gofundme.com/f/olympicmom> . Every little contribution and words of encouragement will be helpful on her upcoming difficult journey.

Option 4 Students

On Monday we will be welcoming some of our Option 4 students back to Option 1. A reminder for those families who remain in Option 4 that you are welcome to return starting each Monday provided that you have given notice to the school before the prior Thursday.

Social Emotional Learning

As we continue to develop an awareness of social emotional learning with our students I wanted to include this website that you may find helpful when working through some emotions

<https://mindup.org/category/mindup-at-home/> is a resource that you may find useful for creating a sense of gratitude at home.

Enjoy the weekend,
Rosemary Thomas
Principal at Osler
