THE DAILY

This Week Face2Face classes – This week 1.3 classes are Face2Face, and 1.4 classes are Remote.

Mindfulness Practice of the Day

When we get too caught up in the busyness of the world, we lose connection with one another – and ourselves.

If you Are Having a Tough Time, Please Reach Out – It is okay to feel anxious or stressed. And it's okay to have tough days. But you need to know that **you are not alone**. So, if you are having a tough time, please reach out - to your friends, to your family, or to resources like **Kids Help Phone (Call 1.800.668.6868 or go to website: kidshelpphone.ca)**. And together we will get through this.

If you or someone you know needs help immediately, call 911 or the B.C. Crisis Centre at either 310-6789 (no area code required) or 1.800.784.2433 where help is available 24/7. You can alternatively call Crisis Services Canada at 833.456.4566 for help 24/7 or text 45645 from 1 pm to 9 pm in English and French.

Attention Grade 12 Students

A letter was sent out to all Grade 12 families on April 20th. It is on the Grade 12 channel in Teams as well. This letter contains important information about the date and details of the graduation ceremony, as well as links to the valedictorian nomination process and how to send in your citation when you cross the stage. Please read the letter carefully, sign in with your VSB credentials and fill out the following forms before the due dates:

Valedictorian Nomination Form – Due Friday May 7th

Attendance & Citation Form – Due Friday May 14th

University Hill Virtual Science Fair

Hey Uhillians! We invite you to the Uhill Virtual Science Fair! We encourage all students from grade 8 to 12 to explore and express their interests in science. You may register as individual or as a group of up to 5 people. Any science-related project is welcome (i.e.: biology, chemistry, environmental, physics, or astronomy). The criteria will be sent through email after you sign up. Participants will receive a certificate and the top three will win special prizes!

Register before Friday April 23rd through the link here: [UHill Science Fair Registration Form](#)

Interested in Learning More About YOUR (The Teenage) Brain?

Want to pick up some tools on learning from the brain's perspective, and want to share those?

What will this look like? Reading a 30 to 40-page section of the book and then meet once a week to discuss.

When will the meetings be? One day after school for about one hour during Q4.

Where can I get the book? The book will be provided for you (limited number) and the books will go into the library catalogue after the group.

Where could this go? Presenting findings and tools to others in the UHill community. Enhance your own learning habits. Choosing a different book for the future/next year.

Are you Interested? Email Mr. Soong at bsoong@vsb.bc.ca saying you want to participate before **Saturday April 24th**.

University of Toronto Upcoming Info Sessions (For **Gr 10 & Gr 11 Students)**

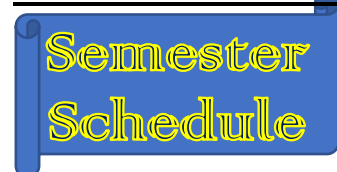

The University of Toronto will be offering information sessions for **grade 10 and 11** students on **Tuesday April 20th, May 5th, and May 13th**.

Semester Schedule for Secondary Schools Starting September 2021

VSB announced on April 14th that secondary schools will be going to a semester schedule next year. Please see [this link](#) to VSB's website.

More details in the coming weeks.

UBC Geering Up Volunteer Opportunities

High school students are invited to join Geering Up as Leaders-in-Training in their new STEM Leadership Program. The UBC Geering Up STEM Leadership Program is a year-long initiative focused on the professional development and training of high school students for the purposes of establishing strong values indicative of a STEM Ambassador. The summer component of the program will focus on training and professional development in addition to volunteer work with Geering Up. This time will provide the Leaders-in-Training with the tools they need to be successful STEM Leaders in the future.

Deadline to Apply: **Sunday April 25th**

2020-2021 VSB Sustainability Conference (VSBSC)

VSBSC is a youth-run event consisting of various workshops, speakers, and mentors to promote sustainability innovation and awareness within high school students. Our conference typically partners with different NGOs around BC to provide education and volunteer opportunities for Grade 8 to 12 students.

Due to the pandemic, our conference has been moved to an online format this year. Our 9th annual VSB Sustainability Conference will take place on **Monday April 26th**, featuring workshops from Fashion Takes Action, Dogwood, Vancouver Humane Society, and Youth4Action.

Date & Time: Monday April 26th; 10:00 am – 3:00 pm

Online Registration: [Register here](#)

Other Geering Up Volunteer Opportunities

This summer Geering Up also invites high school students and undergraduate university students to join them as Junior Instructors in their summer camps! Junior Instructors are volunteers who support their summer camps by assisting their instructor team with running week-long camps. This volunteer program will run alongside the STEM Leadership Program.

Denim Drive!

It's that time once again, grade 8 projects in full swing. If you have any denim lying around the house, that needs re-purposing (i.e.: ripped, outgrown but not really donate worthy to be worn again) could you drop it into the box outside 1E0 (Foods room). We will be deconstructing and re-using this amazing fabric. As always, much appreciated, and good recycling!

Diversity, Equity, and Inclusion Youth Forum

This year's theme is Intersectionality and has been planned by youth, for youth, highlighting student voice. Please see the attached [promotional flyer](#) (registration Deadline has passed and is now closed). Please note there will be a Q&A session before the event for 'host teachers'.

Chat function will be enabled during the presentations.

Date & Time: Wednesday May 5th; 11:00 – 1:00 **Registration:** (Registration is closed now)

Let's Make a Difference Using the Arts

YLI is an after-school program for **youth 14-18** to work alongside a team of other young people who want to make a difference in their community using the arts. **Now offered online**, over the course of 10 sessions, you and your team will design and deliver a creative project that takes action on a social issue you choose together. You'll get the chance to collaborate and learn with

professionals from the arts, non-profit and private sectors to bring your project to life.

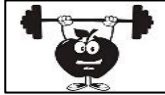

Added plus: you will get a **free YLI Kit** containing all the supplies you'll need for the program, **meals** during sessions, and participation counts towards **volunteer hours**.

UPCOMING POST-SECONDARY EVENTS

Post-Secondary Events

Upcoming events will be virtual/online this school year. It is highly recommended and encouraged that students go to university/college websites for the most up to date information as well as sign up for any upcoming information sessions. Please also to go the counselling website - <https://uhillcounselling.weebly.com> for a list of upcoming events.

Post - Secondary BC Virtual Fair

In place of our regular fall visits to high schools across the province, PSBC is hosting a series of Virtual information sessions with post-secondary institutions across BC.

During the live events, students can take in live presentations, as well as chat with recruiters to ask questions.

The following virtual information sessions has been announced on PSBC website (updated on April 1st).
