### **Important Information:**

- As sent home via email earlier this week, all VSB staff, students Grades 4-7, and visitors are now **required to wear a face mask** while indoors in schools. Students in K-3 are strongly encouraged to wear a face mask indoors in schools. *We ask that all families limit social interactions when dropping off and picking up your children.* All schools in the VSB continue to implement all layers of protection as advised by health officials to limit the spread of COVID 19. While mask use is an important layer of protection, it does not replace other measures like staying home when sick or required to self-isolate, completing the daily health check, maximizing physical distance, and proper hygiene.

### **Upcoming Events:**

April 22

- Earth Day

April 26

- Professional Day – no school for students

*Our new outdoor classroom is coming together!*
