### **The Week Ahead: April 19-23**

April 20

- FSA's returned to Grade 4 and 7 families

April 22

- Earth Day
- Leading Pedestrian Interval installed at 54<sup>th</sup> and Elliott Street.

### **Important Information:**

1. This week a gray Norco bike was stolen from the school. Please remind students to lock their bikes and if they forgot one, please just let us know and we will store it inside for the day.
2. As the weather is getting nicer, please remember to send sun hats, sunglasses and sunscreen as appropriate.
3. There will be a leading pedestrian interval (LPI) will be installed on April 22, 2021 at the intersection of 54<sup>th</sup> and Elliott St. to help with pedestrian safety in the intersection. You will see a delay in the light changing green going north and south to allow for pedestrians to start crossing before the light changes. This aims to improve visibility of pedestrians in the intersection. Please discuss these changes with your family members so they are aware. Here is some general information about the LPI: <https://nacto.org/publication/urban-street-design-guide/intersection-design-elements/traffic-signals/leading-pedestrian-interval/>

### **Upcoming Events:**
