**TUPPER CLUBS 2020-2021:** Clubs are running a bit differently this year. **All clubs are required to run remotely and are not allowed to meet face to face.** A few Tupper Clubs have decided not to run this year, but check out the list of clubs that are running remotely below! If you are interested in joining a club, contact the Teacher Sponsor and the Club President to join the remote club.

You are also able to start a club as well! You can fill out a form from the office to do so, the basics of starting a club are members and a teacher sponsor! Remember, your club has to only run **REMOTELY!**

If you have any questions about clubs or you want to start a new remote club, send an email to the below people:
