The screenshot shows a web interface with a top navigation bar containing 'Pages', 'Home', and 'Page Directory'. Below this is an 'Announcements' section. The main content area is divided into several sections: 'Recent Activity' (with search and filter options for Attendance and Grades), 'Published Reports' (with a table header for Filename, DateUploaded, Creator, and Description), 'To Do' (with filters for Overdue Online Assignments, Today, and Tomorrow, and sub-sections for assignments due today and tomorrow), and 'Group Resources'. Callouts in green boxes point to these various features.
