

April PAC Meeting
Principal's Report

Basketball

The season is going well, and we have many students who have joined. It was so great to see parents out and cheering the kids on.

Long Jump Pit

We are fortunate to have had grounds come and re-establish our long jump pit and also move it to the southwest corner of the school. This is a much better location for supervision and sight lines. The kids are really enjoying it. We even had a former supervision aide come and donate some new sand toys!

Volleyball Net

We have found a supplier and will be purchasing a new volleyball net. Thank you for the PAC's generosity in funding \$900 toward this.

Kindergarten 22/23

We have been allocated one Kindergarten class for the upcoming school year. We will be working with families who were entered into the draw, but were not able to secure a spot, to find the closest school to us who can accommodate their child. We will host Welcome To Kindergarten on May 27th 9:15-10:15am in person and would love to have a PAC representative there.

As we are opening up the school from COVID-19 restrictions, we are looking for ways to ensure families feel connected and an important part of the school community. As always, if you have any suggestions, please feel free to reach out and let us know.
