Schedule:

S1D1 - S1 Day 1

Do you want to learn computer science? Do you want to learn how to make a website, create games or compete in coding competitions? Well, OneCode Academy can help you do just this! We are a private after-school computer science education center located in Vancouver that offers online computer science lessons for students in grades 6-12 at any experience level! Whether you are a complete beginner or a veteran coder, we got the right curriculum for you! Check out our website at <https://onecodeacademy.com> and if interested, you can request a qualified tutor by clicking "Request a tutor" on the website.
