

Soolim Co Scholarship

Value: \$2500.00

Deadline: Electronically submit your application to Miss Eisner at eeisner@vsb.bc.ca by **Friday, April 3, 2020 by 4:00 PM. In the subject area of your email, put your name and the name of the award(s). No late submissions will be accepted.**

Please ensure that your name, student number, email address, and the award for which you are applying are on the top of each page of your application

Please include the name of a teacher, administrator, or staff member, or a community mentor who is most familiar with the supplementary information provided in your application. A letter of recommendation **MUST** be submitted by your reference to support your application.

Description of the Award:

The key focus of this scholarship is to provide necessary financial assistance to a student who has been accepted to a post-secondary institution and who intends to pursue a degree in either Science, Applied Sciences (Engineering), Math, or Applied Math (Statistics, Actuarial Science).

Criteria for the Award:

CHECKLIST:

The successful applicant:

- has been accepted into an accredited post-secondary institution to a four-year program in Science or Applied Sciences (Engineering); verification required. UBC candidates will be considered even if acceptance has not yet been confirmed. Verification, however, will still be required later.
- has achieved an overall average of at least 86% in a **minimum of two** of the following courses: Biology AP, Calculus AB/BC (only one of the two may be used), Chemistry AP, Physics AP, Biology 12, Chemistry 12, and Physics 12. The courses **MUST** be taken at David Thompson during the regular school year;
- MUST** submit a transcript, including second term marks, with his/her application;
- MUST** clearly demonstrate financial need for post-secondary education (relevant details **MUST** be included- the information will be kept strictly confidential);
- is a Canadian citizen, has Permanent Residence status in Canada, or is a Landed Immigrant;
- answers the following question in essay form (300-500 words):**
What got you interested in math and/or sciences, and how has that impacted your educational and career goals and aspirations?

Additional Information:

- Please indicate if you play a classical, orchestral, musical instrument and, if so, to which level (verification required).
- Include results from any completed AP courses.
- List any math and/or science competitions in which you have participated and the results you achieved (verification is required).
