

Vancouver School District - Support Staff Recognition Scholarship (2020/2021)

In recognition of the work of the many staff who hold a support role in our schools, and the positive impact they have on students, the Vancouver School District created a student scholarship. In honour of all the support staff across the District, two scholarships in the amount of \$2,500 will be awarded to students at the end of the school year (June 2021). Students of VSB Secondary Schools, Vancouver Learning Network, Alternate, Alternative and Adult Education programs are invited to apply for these two scholarships.

The Support Staff Recognition Scholarship will recognize graduating Vancouver School District students who have made a positive contribution to their school communities. These students have demonstrated strong school involvement, maintained a good academic record, demonstrated a strong work ethic and perseverance, and intend to enroll in post-secondary education at a recognized program, institution, college, or university.

Students wishing to apply for this scholarship need to complete a written statement (500 words maximum) that expresses the impact a support staff worker has made on their education.
