## WELCOME BACK

Dear Dr. A.R. Lord Families,

Welcome back to another school year! My name is Margie Trovao and I am the new Principal. I am excited to be joining the Lord community. Over the next few weeks I look forward to getting to know the staff and students and meeting the parent community. We are pleased to see all our returning students back and welcoming our new students and their families. We hope you had a fabulous summer break and are ready for a new and exciting school year.

We would like to welcome the following staff members to our school: Ms. Elena Doyle (classroom teacher) and Amanda Cremona (SSA), Ms. Enzula Tavormina (Counselor). We would also like to welcome back Ms. Phongmany (classroom teacher).

Thank you to our great engineers, Leo Rocha and Allan Morales, as well as the summer staff, for all the work put into cleaning and maintaining our school!

Organization update: As with past years, students return to their last year's classrooms until we are sure of our numbers, as we have had families moving in and out of our school throughout the summer. Staff need time to ensure we have important conversations amongst the staff to provide the best educationally sound placement for your children with fewest disruptions possible. We will be moving into our new classes as soon as possible, but it is important that we take the time to ensure that we have as much information about our returning students as possible before we submit our final organization for the year. Please inform the office of any changes as soon as possible. Thank you for your on-going support and patience.

I have an 'open door' policy and can usually be seen around the school but, I do have responsibilities that require my attention outside of the office (teaching load, meetings to attend), so please call the school and make an appointment should you have any concerns or questions regarding your child.

A newsletter with more school information regarding procedures, fees and upcoming events will follow. Please read our monthly newsletters and/or website for updates and events throughout the year. We hope to see you throughout the school year.

Sincerely,  
Ms. M. Trovao
