May 25th, 2020

Dear Weir families,

Thank-you to all families who filled out the student return survey last week. This information will help elementary school staff plan the necessary classroom arrangements and schedules for students in kindergarten through Grade 7.

On May 28, families will be provided with details about either the schedule for their child's return to school or about arrangements for continued learning at home.

Families who voluntarily decided to have their children return to school will be provided with details about:

- Scheduling
- Student entry/exiting to the school
- People permitted in the school
- Student attendance
- Student drop off/pick up times
- Hand hygiene and respiratory etiquette
- Bringing in/use of personal materials (no sharing of materials, labelling of materials)
- Response to illness: stay at home if ill, and daily health self-assessment requirements
- Safe handling of food items, meal programs, lunch/snack routines
- Materials, equipment and manipulatives in classrooms

Please Note:

If you did **not** submit the District survey last week to indicate if you would like to have your child participate in voluntary in-person classes, please **Do Not** send your child to school next week. The school has not scheduled your child for attendance in person and your child/ren will continue to be provided with online learning opportunities.

If you did **not** submit the survey but would like your child to attend in-person classes, you **must** contact your school principal to make arrangements and to allow the school to properly schedule your child.

Families who indicated that their children will not return for in-person classes in June will continue to receive online/remote learning opportunities.

Further information about the return to in-class instruction can be found on the District website [here](#).

We look forward to welcoming your children back to school and for those remaining online, we look forward to continuing to support your children and their learning.

Sincerely,
Heather Gascoigne
Principal
