

At Emily Carr Elementary there is a focus on consequences that are restorative, rather than punitive, wherever possible.

- Talk and problem solve with staff member.
- Time out at recess and / or lunch if behavior continues
- A meeting with parents to problem solve together
- Suspension either in school or out of school

The severity and frequency of misconduct as well as the age and maturity of students are taken into consideration when determining disciplinary action.

How Parents and Caregivers can help:

- Talk to your child about Emily Carr Code of Conduct
- Talk to your child's teacher right away if a problem arises
- Encourage your child to talk about problems and issues.
- Encourage your child to take responsibility for his or her belongings, work and behaviour.
- Help your child to solve problems peacefully.
- Support your child in his or her school work.

Sometimes students need help to solve a problem. These are people who will help you...

- Supervision Aides
- Teachers
- School and Student Support Workers
- The School Counsellor
- The Principal
- Other adults that work at our school

Our Code of Conduct applies to all members of the Emily Carr Elementary School community. The Code of Conduct applies to behaviour at school, during school-organized or sponsored activities, and behaviour beyond these times (including on-line behaviour) that negatively impacts the safe, caring, or orderly environment of the school and/or student learning. The school will take all reasonable steps to prevent retaliation against a student who has made a complaint of a breach of the code of conduct.

From time to time, when students do not follow the Code of Conduct - it is necessary to do some problem solving and have consequences.

Actions which do not show respect for our school Code of Conduct will result in appropriate consequences. Inappropriate behaviours may include disruptive behaviours and serious misconduct like bullying, harassment and intimidation. These behaviours are examples only and not an all-inclusive list.

In determining consequences, the students' age, maturity and developmental level will be considered. As students move through successive grades and developmental levels, they are expected to demonstrate increasing personal responsibility and self-control.

As well, special considerations may apply to students with special needs if they are unable to comply with the Code of Conduct due to having a disability of an intellectual, physical, sensory, emotional or behavioural nature.
