Dear Parents/Guardians,

I would like to welcome you and your child to General Brock Elementary School.

For the 2020 - 2021 school year, our organization currently includes two Kindergarten classes.

Please be advised that school organizations are subject to change according to enrollment and therefore, could be altered in September despite our best efforts regarding enrollment projections and registration.

The information below is subject to change. The times and dates below and how the start of school will look will be dependent on the directions provided by the Provincial Health Officer and the Ministry of Education.

On Tuesday, September 8th, 2020, you and your child come to school and report to the school library from 1:00 – 1:30 pm. It is important to attend this meeting, as we will be updating our school enrollment and there will be an opportunity for parents to sign up for an interview with the Kindergarten teachers.

To help your child adjust to his/her new school setting, we have a gradual entry to Kindergarten. Please refer to the schedule below regarding your child's entry.

In September, your child will attend school gradually. Please look at the tentative dates and times below. These will be confirmed or altered depending on the situation with the COVID-19 virus restrictions.
