HUDSON MISSION

Our school is committed to supporting engaged learners, caring communities and an inclusive school environment.

April

Thank you again to everyone for your patience as staff organize and navigate new platforms for the continuity of learning.

Great News: We have been able to connect with every family at Hudson. Everyone is set with technology for the continuity of learning! It is impressive how the Hudson staff have connected with all the families and how excited the students to reconnect through our new virtual world of learning.

Dates to Remember: April

- April 10th Good Friday-NO school
- April 13th Easter Monday-NO school

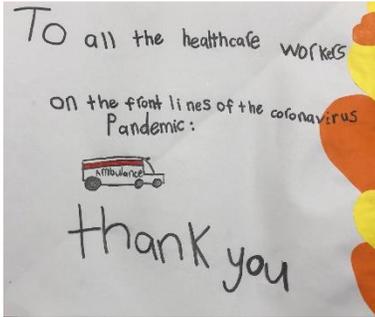

COVID-19

A kind reminder to stay informed however being mindful that the news is not on 24/7. Children will pick up parts without understanding everything. This may confuse them or they may process the information in a different way which may create anxiety. There have been some studies in the US after 9/11 on how children were exposed to, too much information and were unable to process it properly. Of course, you know your child best, for some children and families you may be interested in the science aspect, or finding ways to help, etc. Stay safe and healthy.

We are looking for uplifting photos or stories you would be willing to share with our school community, please send to HUDSON@VSB.BC.CA.

Here are a few photos from staff and students.

Library

If you have any library books, please hang on to them.

Ms. Nikon has assured me there will be no charges for lost or overdue books.

Good news to share, I heard on the news from some world leaders that the Easter Bunny and the Tooth Fairy have been deemed essential services and that they are immune to the virus. 😊

#Alonetogether : Stay connected and reach out if you have any questions
