New Information:

"Vancouver City Council has passed changes to the fees around **stopping violations** which will **double the fines for violations which occur in the vicinity of schools, 8am-5pm on school days.** This was passed Dec. 3 2019 and will come into effect **Jan 1, 2020.** The Council report notes that "to support the City's Moving Towards Zero goals, (City) staff have identified a number of safety related parking offences, in particular those that impact vulnerable road users, where fine amounts should be increased to further discourage unsafe parking behaviour."
