## **HUDSON MISSION**

Our school is committed to supporting engaged learners, caring communities and an inclusive school environment.

## **October**

Another busy month of learning at Hudson. It has been a delight to visit classes to see such engagement. Teachers are creating purposeful learning that connects to nature or real life problems to think about or solve. Many classes learned about the Canadian Electoral System. Hopefully this inspired dialogue at home.

Teachers continue to make connections between Hudson's school goal of improving writing skills and learning activities. Mr. Dong's class is using their space in creative ways by using erasable markers and making their learning visible by writing on the windows. It was exciting to see their engagement, learning about the candidates and an easy way for students to see each other's thinking/writing.

## **Inspire Kids to Care**

Mme. Michelle's class has taken on the project of making a difference by collecting and recycling all the Hot Lunch containers on Tuesdays and Thursdays. Way to go Team!

Ms. Dixon's class attended the Writer's Festival at the Granville Island Theatre. We look forward to the learning following this experience.

## **Reminder**

All materials (posters) need office approval before being displayed anywhere on the building. We have a community board that can post community events. These equally need to be vetted through the office prior to posting. Thank you for understanding.

### **Cross Country Practices**

We just finished a great season in Cross Country! Coaches Mr. Hunter and Mrs. Johnson are very proud of all the athletes that participated in the practices, mini meets and district meet. Congratulations to you all and see you next year!

### **Physical Health & Literacy**

The Hudson website is slowly being updated in many categories.

Under development will be a section under extra-curricular it will have a sub section called sports; we will post the volleyball schedule.

### **Did you like learning about the Electoral system?**

"What I really liked about the project of electoral government was learning about how voting and majority government works. One day I would really like to vote, because it is for my future."

Hayden grade 6

### **Traffic Safety**

A reminder to everyone to be alert when walking, biking, and driving to school.

It is everyone's responsibility to be alert. You can visit this link for more info [www.vancouver.ca/schoolactivetravel](http://www.vancouver.ca/schoolactivetravel).

The **VPD will be noticeably present for the month of October** enforcing parking/stopping in safe places.

There have been reports that some people are receiving tickets by email based on VPD taking down license plates that are in violation of the signage around the school. At a \$90 cost.

A reminder to drop off earlier to avoid the rush hour or take turns bringing kids to school-

**Reminder to email if your child will be late or absent from school:**
