HUDSON MISSION

Our school is committed to supporting engaged learners, caring communities and an inclusive school environment.

Hard to believe September is almost done!

It has been a busy month setting into routines and signing up for so many opportunities. We had Spiderman and Batman in for a visit with the Kindergarten classes talking about germs and washing hands. We had a Dot Day Gallery walk based on the book *The Dot* by Peter H. Reynolds. Spirit Day and our Terry Fox Run were a success!

Coming up in the next couple of weeks, Orange Shirt Day, individual photo day and an excellent presentation "Inspire Kids to Care- a Focus on Plastic in the Oceans".

It has been a delight to see students playing and spending time together on the breaks.

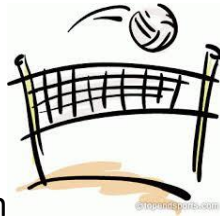

September/ October dates to remember

- Sept. 30 Orange Shirt Day Assembly
- Oct. 1 Individual Photo Day
- Oct. 8 Plastic Oceans presentation at 1:00 pm
- Oct. 14 Thanksgiving (school closed)
- Oct. 16 PAC mtg 6:30 pm in library

Volleyball Team

Practices - Wednesdays & Fridays

Cross Country Practices

Thursdays: starting on **Sept. 12** from 3:10 pm-3:45 pm

Tuesdays: starting **Sept. 16** 8:10 am -8:40 am

Grades K-2 must be accompanied by a parent to participate.

Library News

Henry Hudson Library will begin to see classroom students this week!

Ms. Nikon is the Teacher-Librarian at Hudson and she also is an ELL teacher for part of the weekly schedule.

Please check out the Library/Learning Commons info page on the Henry Hudson website for information on borrowing.

All primary classes will have a weekly scheduled book exchange times - it is important for parents to help keep their child/children organized and responsible with their borrowing on that day, having their books ready for return and their Library borrow bag present. Your classroom teacher will provide you with more information on this.

Dress for the Weather

Students will be expected to play outside during recess and lunch time even if it rains!
