

John Oliver Student Council

What is Student Council?

The Student Council is a group of elected students working together with sponsors and the school staff to provide students with a voice in school affairs and activities. As a council, we work to promote citizenship, leadership, and a sense of community within our school. In addition to planning events that contribute to school spirit and community welfare, student council helps share student ideas, interests and concerns with the staff and school community.

As a new leader, I want to thank you all for giving me the trust that you have given to the past Student Council Presidents. I look forward to working with each and every member of council this year and putting their best assets upfront to bring you a memorable year even during these unprecedented times.

Hi! My name is Joe, I'm your student council treasurer this year. Some things I like to do in my spare time are baking and spending countless hours on TikTok. You can usually find me at work or struggling to understand the newest chapter in pre calc.

Hi guys, my name is Louis. I am very passionate about helping others and I would like to make this school year something to remember! I wanted to join student council because I want your voices to be heard and I want things to be better for you and this school. Vista,
Grade 11/Athletic
Rep

Hi, my name is Vista and I'm your grade 11/Athletic Rep for this year. The reason why I joined student council this year is because I wanted to give back to my community and to make sure everyone's voices are heard.

Hi, I'm Ria, the grade 11 representative. I joined student council because I wanted to make improvements to the school and make it a more enjoyable environment for everyone.

Ria,
Grade 11 Rep

Fimi,
Grade 10 Rep

Hey y'all, I joined student council to give my peers a voice because it's easier to voice your concerns to one of your fellow classmates as opposed to an adult. I also wanted to help make the overall school experience more enjoyable; meaning a safe and fun atmosphere where you feel like your ideas and concerns are being heard, which is what I strive for as a member of this council. In my spare time, I usually like to try out a new makeup look or film/edit.

Hi, my name is Zinnia and I'm one of the grade 10 representatives. What's most important for me this year is making sure that everyone feels safe at school while making it a fun place to be.

Zinnia,
Grade 10 Rep

Rachael,
Grade 9 Rep

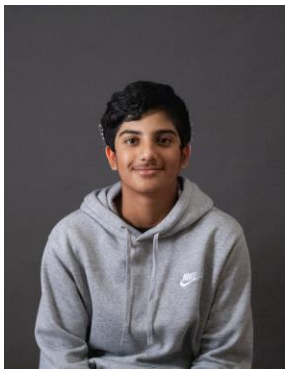

Hey everyone! I'm Rachael and I'm one of the grade 9 reps for this year! It's amazing to be on the council with so many great people and I can't wait for you all to see what we have in store for our school. We are supposed to tell a little about ourselves so I'll make it quick! I joined the council so that I could help make our school a better place. I just wanted to make a difference, however big, or small that difference might be.

Hi, my name is Aryan and I am one of the grade 9 representatives. I wanted to be a part of student council as I really wanted to help the John Oliver community and bring my skills to make John Oliver a safer, more fun, and thriving school! My goal is to make the most out of the year and have lots of virtual fun!

Aryan,
Grade 9 Rep

Sehi,
Grade 8 Rep

I joined the student council because I wanted to help out the John Oliver community as much as I can. I am looking forward to sharing my ideas with my members to make the school stronger and better. I am also looking forward to putting on events and helping with community projects.

I joined student council so that my grade 8 peers have a voice. I am looking forward to helping improve the school in anyway I can.

Paul,
Grade 8 Rep

Dylan,
Social Media Rep

Hi! I'm Dylan and I'm one of the social media representatives here at John Oliver. The reason I joined student council is so that I, a mixed race member of the LGBTQ+ community, can make a positive change to this school.

Hey, my name is Rachel. I joined student council because I wanted to be a part of a team that makes school fun and exciting for everyone. I love sports and you can usually find me in the gym or field throughout the year representing JO.

Rachel,

Fatema,
Cultural Liaison

My name is Fatema and I'm JO's Cultural Liaison this school year! Although the many challenges we're all facing due to COVID-19, I still plan to show appreciation and educate the student body on the many different cultures and religions at John Oliver.

I joined council because I want to make an impact on the school. I enjoy helping others and want everyone to enjoy their school year just as much as I want to.

Jujhar,
Member-at-Large

Hello, my name is Jayda and I am excited to start my Grade 12 year off even in these crazy times we are living in. I was honoured to be elected to Student Council last year as the Representative for Exceptional Students, the first student in John Oliver History to be elected in this role. And I am pleased to be on Student Council again. I wanted to join Student Council so I could learn and take part in the school activities, share these activities with my classmates as well as share what we do in our Life Skills class with the students of John Oliver. I enjoy being a part of Student Council so I can stay in touch with friends and my school community. It is important to me to build and be a part of the community in which I live in.

Jayda,
Exceptional Rep
