Time: 6:30 pm to 7:25 pm
Chairperson: Gurmit Sangha
Members present: As per attendance sheet.

Message from the Chair- Gurmit

Overall it was once again a great year for the PAC, full of exciting events:

- The PAC held various successful fundraisers, donated funds towards school events (Diwali, Lunar New Year, Filipino Festival, Grade 7 Grad, Churchill Scholarship) and hosted special events (Breakfast with Santa, Sports Day concession).
- This will be the last year for many of the PAC executives who have been on the Sexsmith PAC for the last 16 years. It has been a pleasure to be part of this PAC. Without the hard work of dedicated parents and supportive and phenomenal teachers we would not have the wonderful community spirit we have today
- The PAC meetings barely scratch the surface of what the PAC does, it is you the parents and your tireless enthusiasm and effort that has helped support this environment.

A thank you to the following individuals for their hard work:

- Stan for being the “supply guy” once again for all our events
- All the parents and volunteers who consistently help with the PAC and school functions throughout the year.
- A special thank you to the parents who have assisted in the hot lunch program.

Principal’s Report – Mr. Levine

It is quite busy around the school at the current time; teachers have met to commence planning for the fall; there are 390 students and 17 divisions for next year;

The school fee schedule will be sent out at the end of the school year. At the current time the most notable change is the increase in school supply fees which went up from \$25 to \$35. However any family that is unable to pay it can apply for financial hardship, no student will be turned away;
