

Little People's Preschool

A play-based preschool in the community of Kerrisdale

INFORMATION SHEET

About Us:

Little People's Community Preschool has been a vital part of the Kerrisdale neighbourhood for over 40 years. Our school is a hands-on learning environment, with fabulous teachers in a bright and cheerful facility. Located next to Kerrisdale Elementary School, Little People's is a non-profit, community-based school which seeks to expand on each child's sense of wonder by exploring the amazing world around us.

While our classes operate under a traditional drop-off model, parents are still a big part of our community. Our door is always open to parents who want to become involved in their children's schooling. Little People's Preschool works hard to foster a sense of camaraderie among our families through regular social events and offers, free of charge, Educational Evenings for Parents with speakers on early childhood development.
