

FOOD DRIVE

Please consider donating to the Food Drive, if you can. Any donation is greatly appreciated by the community.

Here is how staff and students can donate to the Food Drive this year:

- Bring non-perishable food to the Food Bank boxes in some classrooms - the list of acceptable food includes canned items (especially low salt, high protein), hearty stew, peanut butter, brown rice, pasta, low sodium canned salmon. Food donations will be collected until Dec 17th.
-
- If you prefer donating money, the Leadership class has created a Virtual Fundraiser site where you can donate fast and easy with a credit card. Here is the link for the donation: <https://vfd.foodbank.bc.ca/participant/1193938/1480/1691> - Money donations will be collected until Dec 31st.

The Leadership students are placing QR codes and posters promoting the Food Drive around the school.

During this time of uncertainty, food banks need food and continued financial support. Your generosity ensures that the Greater Vancouver food bank gets the support, assistance and help they need to reach the hungry in our community.

Thank you for the support and we appreciate any reminder you can give to your students as well!
