

Killarney ATHLETICS

Special Note for 2020-2021 Season:

The BC School Sport "Return to Sport Plan" is one of the important resources in our Killarney planning. It is, however, important to note the VSB has additional requirements and restrictions beyond those of BCSS: related to school facilities use, spectators and use of outside (non-VSB staff) coaches or sponsors.

Currently, no outside coaches or spectators are permitted in our planning. All of our Killarney Athletics activity will involve monitoring of safe social distancing, hand cleaning before and after all activity, cleaning of equipment at the start of all activity, cleaning of used spaces between activities, and staff/student wearing of masks before and after sporting activity.

While inter-school competition is currently not permitted in-person, there may be a possibility of virtual competitions in sports such as cross country running.

All other athletic activity (except regular PE classes) at Killarney will likely be of a training and practice nature, conducted entirely within the school student cohort. Any intra-school competition would have to be in a sport that is easily socially distanced during the game.

Sports that will be offered will be determined based on the student sign up and the availability of staff volunteering as coaches (at this point with Stage 2 our valued Community Coaches unfortunately cannot be involved).

Any questions can be directed to any member of the school's Athletic Board (contacts can be found at _____) or the Athletic Director Mr. P. Jones (pjones@vsb.bc.ca)

Our Athletic Director Mr. Paul Jones is working with staff and students to evaluate our capacity to offer safe, in school return to athletic activity.

Daily Health Assessment – would go here currently in a pdf are you able to make this a link?

Participation Agreement – Assumption of Risk

Regular Athletics Season

There are many opportunities for Killarney Students to participate in extra-curricular inter-school athletics.

Student activities include officiating, managing, timing and score keeping. Activities are grouped into seasons and are typically scheduled to begin after school hours. Teams are formed according to age. The divisions are Bantam (Gr.8), Juvenile (Gr.9), Junior (Gr.10), and Senior (Gr. 11 and 12).

Fall Sports

GIRLS' Volleyball
BOYS' Soccer
Cross Country
Boys' volleyball
Badminton

****Due to these uncertain times of 2020/21 school year there is a limited amount of athletics offered to Killarney students. Currently running is Cross-Country and Grade 11 Girls' Volleyball***

Required athletic forms to be downloaded and completed by each athlete: (will send later)

Parent/Student Athletics Contract

Athletics Consent Form

BC School Sports Permission

Athletic Medical Form

Intramural Sports Program

Throughout the year there are a variety of sports activities in the gyms during lunch. All students are welcome to sign up.

Athletic In-School and Activities

Killarney offers a variety of activities for students in the sphere of athletics that are alternatives to the intense extra-curricular program of inter-school competition. These activities are geared to high participation and are often student directed.

Intramurals
Officials

Downhill Skiing/Snowboarding
Timers & Scorers

Athletic Awards

Each year in June, Killarney Athletics Department holds their Annual Awards and Recognition banquet dinner. It is a celebration of the Year in Sports, highlighting achievements and celebrating school spirit. All athletes, coaches, managers are invited to attend. The Banquet is made possible through the support of PAC. Students are encouraged to dress in semi-formal attire.
