'intheknow'

# Information and Support

For families and caring adults who  
are parenting a child or youth with  
mental health challenges.

Every month, we host events for families called 'in the know'. We watch a video, or listen to a speaker, and share experiences and strategies that help in the hard moments. We help focus on strengthening our understanding and connection with our kids.

## Beyond Behaviours: When Is It More? What It Looks Like Ages 13+

Why can it feel so tricky to tell if our kids are on track, going through a phase, as opposed to struggling with something more, or beyond behaviours? In this video conversation, a parent and counsellor talk about the developmental stages of children who are 13 years of age and older.
