

Immunization Clinics for School Aged Children

VCH Public Health will lead Vancouver-based immunization clinics for students that have missed their immunizations or due for immunizations this school year. Clinics are scheduled Tuesday-Friday until September 10th.

Students in the following grades can book appointments:

- Kindergarten
- Grade 1
- Grade 6
- Grade 7
- Grade 9
- Grade 10

Online booking is available. For more information on location and hours or to book an appointment visit
