Jan 8th, 2018 – Mini Newsletter & Reminders

Dear Tennyson Families, here are a couple of news items and reminders. Have a great week!

10th Ave Closure

As mentioned in our emails yesterday, the City has now closed 10th Avenue for waterworks purposes. It will likely be closed for about three days. Please keep this in mind as it will affect some families for drop off and pick up.

Dressing for the Weather

With the variable winter temperatures and rain, please ensure that students come dressed for the weather (for both cold and wet). With our reduced footprint, we do open the basement for rotating grades on very wet days, but cannot accommodate all of our students, so they should expect to be outside. We have undercover areas if needed, but it can still be cold if students do not have coats, boots, etc. We have noticed that some students from primary through Gr. 7 are not coming with coats.

French Immersion Information Night & Registering for Kindergarten

If you have a child currently at Tennyson and you are registering a sibling for K for next year you **MUST** register your child first through the VSB website at the English catchment school and then, online for Choice Program Early French Immersion. This is not automatic. We have an FI Info session (as do all other FI schools) on Jan 10th at 7pm in the gym. All are welcome, but the topic is mainly about French Immersion K and Gr 1, and registration.

Safe Arrival

If your child is late or absent, please continue to call the Safe Arrival line prior to 9am. If the absence is for more than one day, you only need to call once if you let us know all of the dates. The number is: (604) 713-5159 and then press '84'.

Communicating Student Learning Pilot

For those families with children in Divs 5-18, we have posted to our website some information that you might find interesting, abbreviated from our presentation in the fall. All are welcome to take a look. Here is the link:
