Building Bridges with your Teen*

We'll look at brain changes and the science behind teen behaviour. We'll explore communication strategies that increase understanding and can reduce tension at home. Come to share your insights, and together we'll explore practical ways to support healthy decision-making and developing capable young people.

SACY Adult Toolkit: understanding youth & substance use

Join us for a friendly, non-judgmental evening for caregivers. Add to your skills & knowledge about teens, alcohol & cannabis, and clarify risks and protective strategies during a risky time in our community. We'll review practical information on teen development and ways to support teens' healthy decision-making.
