 - iv. Angela provided an update on grants from Desjardins. Did not receive the large tech grant but obtained \$500 to use towards the compost bin and tools.
 - v. Donation from West Coast seeds for the garden. Enough for this year and next.
 - vi. Report cards out January 31st. If any questions or concerns, start w the teacher.
 - vii. KD applications due January 31st to enter draw or have priority. Otherwise on waist list.
 - viii. Mandarin program applications open until January 31st but may stay open a bit longer.
 - ix. COVID UPDATE
 1. BCCDC guidelines are what are to be followed. May conflict with DBH guidelines or statements. Numerous changes to self-isolation guidelines in the past few days. Currently in flux as many changes. Current rules for kids under 18 who test positive is to stay home for min 5 days (from 10) or until no longer sick. Unvaccinated adults who test positive must stay home for 10 days. Information is changing constantly.

- x. Functional closure discussion:
 - 1. Only in the event there are not enough staff available to keep the kids safe. Could be that administration or other people could be deployed to the schools from other schools or from the district management team. The goal is to not close schools.

2. Treasury update –

PAC requires a treasurer for the 2022/3 year as Iris' family will no longer be at Trudeau. Any volunteers wanting to join the PAC executive should contact Angela or Iris directly so they can be brought up to speed during the current year.

- a. No update provided as Iris away.
- b. \$500 in donations to the PAC over the holidays (held by the school account). An additional \$360 donated to purchase PE equipment.

3. Parent Signup / Class Parent –

- a. Discussed placing a letter from PAC along with report cards to encourage signups to the PAC lists. Mark to craft letter for inclusion.

4. Other Matters –

- a. Grad gifts (approx. \$500) to provide to students graduating Trudeau with a gift at graduation. In the past, students have also done a luncheon downtown with teachers. PAC agreed to support this initiative.
- b. Teachers to prepare wish list of PAC support items by end of May.
- c. Angela to finalize wish list of items so that PAC can assist with finding solutions for the school.
