

Dear Families

I hope that you all enjoyed our Spirit Day today- don't forget to send the photos of you wearing your team jerseys and colours to Mr. Hunter in his PE channel! He will be creating a collage of our photos. I would like to take this opportunity to let you know that the Administrative changes for September have been published and although last minute changes can always happen, I am happy to share that at this time, I will be returning to Simon Fraser in September.

As you know, staff will soon be starting the class placement process for next year. **This is a final reminder to let us know if you have any information about your child's educational and learning needs that you think your child's teacher is not aware of and will help to inform the class placement process, please email your child's teacher or myself by Tuesday 19th May- the day after the Victoria Day long weekend.**

Tomorrow- Friday 15th May, there will not be any online learning because it is a Professional Development day on the subject of Indigenous Education for the Vancouver School District. The theme is One heart one mind - náca?mat ct teachings. The focus of the day is for all staff to explore the concepts of Allyship and Collective Responsibility as it pertains to our practice in schools. We will be learning from Musqueam, Squamish, Tsleil- Waututh and VSB Knowledge Keepers.

Have a wonderful long weekend- students will be back to learning on Tuesday. Take care and stay safe,

Cathy Thomas
Principal
Simon Fraser Elementary
