Good afternoon

I am writing to share with you the attached document that has been uploaded to the Vancouver School District website. It is a compilation of the FAQs that are being asked about the optional, gradual return of students to school in June. This document as well as all other information being sent to you is available on the Vancouver School District website under the COVID-19 updates- <https://www.vsb.bc.ca/News/Pages/COVID-19-Updates.aspx>

The Vancouver School District continues to take the lead of our public health authority, Vancouver Coastal Health (VCH). Please visit its website for information and updates, including an FAQ. We will continue to share new information from the Ministry of Health, the Provincial Health Officer and VCH as it becomes available.
