

MY BLUEPRINT ASSIGNMENT FOR GRADE 8s AND 9s

Instructions: As part of career life education 8/9, all students are expected to complete the five “Who Am I” surveys on myBlueprint, and to create a portfolio to record your results. Below are the steps you can follow to complete this assignment.

1. Log into myBlueprint’s homepage: www.myblueprint.ca/sd39 If you have forgotten how to log-in, refer back to the handout provided for you at the grade 8/9 assembly. Once signed in, you should see a screen that looks like this:

2. From the menu on the left of the screen, click “Who Am I” – this should take you to the screen where the surveys are located, which looks like this:

Who Am I

Surveys Match Results

3. There are five (5) surveys in total that you need to complete for the 2018 – 2019 year. They are: 1) learning style; 2) personality; 3) interests; 4) knowledge; and 5) motivations. Click on any one to begin (some are locked until you have completed the previous surveys). Once a survey begins, you will be seeing questions like these, where you are asked to rank several statements:

Rank the importance of these statements to you from high to low

You're stuck in a line for a while. Do you:

Look around at the people and things nearby

Make small-talk with people around you

Get restless, move around or check out your phone

Drag or click your first favourite statement

Drag or click your second favourite statement

Drag or click your third favourite statement

4. Begin the survey by answering the questions given. Once you have finished, you will be directed to your results, like below. After reading the report, click “back to surveys.” You can now complete the other four surveys in similar fashion.

You are a
Visual-Kinesthetic Learner

You learn by

T touching D doing L looking S seeing

Learning Styles

Understand the Learning Styles and how they relate to you

36% Kinesthetic
34% Visual
31% Auditory

Whatever your strongest Learning Style(s) results are, the best way to learn something is to try to use all three Learning Style approaches whenever you can. Because different activities use different parts of our brain, when we use different ways to do or learn the same thing, our

- The other task you have to do is to create a portfolio to record your survey results. For this, click “Add to portfolio” in any of your completed surveys:

Who Am I

[Surveys](#) [Match Results](#)

- A pop-up screen would come up. Since no previous portfolios have been created, you need to create one. Click “Add to a new portfolio.” Type “Survey Results” and click the add button. Your result will now be automatically added to the portfolio like this:

- Complete your other surveys, and have the results added to your portfolio, and you are DONE! Please note the following deadline to complete Career Life Education 8/9:
 - By the end of February, you need to have completed TWO (2) “Who Am I” surveys
 - By the end of May, you need to have completed all FIVE (5) “Who Am I” surveys, and have created a portfolio to record your surveys’ results.
