GENERAL \$35.00 SUPPLY FEE

The Vancouver School Board offers the service of purchasing basic school supplies in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for 2021 – 2022 is \$35.00 per student.

This fee covers basic consumable school supplies used for students' personal use such as paper, writing tools, glue sticks, erasers, exercise books and art supplies. Supplies are provided for the full year.

SUPPLEMENTARY FEES

Student Agenda/Planner – \$10.00 (where applicable)

Some students at Trafalgar will be using an Agenda/Planner. School agendas/planners are a valuable tool for teaching children how to organize and plan for school. While students are not required to have an agenda/planner it is designed to assist students with the skills of organization and time management and is a very useful communication tool often used between teachers and families.

Performance Fee – TBA (where applicable)

This supplementary fee supports the school in bringing in talented and professional theatrical and musical performers that align with a particular educational theme. As performances are arranged, parents may be asked to contribute. The typical cost per student per performance is \$5-8.

Activity Fee – TBA (where applicable)

During the school year, and as permissible under Provincial and District Health and Safety protocols and direction, non-curricular activities may be offered to students with nominal fees. Program fees will be published at that time.

Workbooks – \$20.00 (where applicable)

This year, some students will be bringing home a Jump Math Practice and Homework Book. This material supplements some classroom math program.

The workbooks are available for purchase at the cost of \$20.00. Students are not obligated to purchase the workbook, and may opt to use their copy as a reference textbook instead, meaning the workbook will be returned at the end of the school year for another student to use in the future. Students opting to use the workbook as a textbook will be responsible for ensuring that it remains unmarked and in excellent condition in order to return the workbook at the end of the year.

Field Studies – To be determined throughout the school year at the classroom level

Throughout the school year, and as permissible under Provincial and District Health and Safety protocols and direction, your child's teacher may plan supplementary learning opportunities at locations outside of the school and request monies towards entrance fees, transportation or equipment rental. Your child's teacher will communicate this information to you directly.

FINANCIAL HARDSHIP

As a reminder, the Vancouver School Board will not deny a child access to the school supplies required for his or her educational program because of financial hardship. Nor will any child be excluded from activities where a fee is charged. If at any time there is a financial challenge, please contact the school Principal, Daniel Belanger. All requests will be treated confidentially.
