# University Hill Elementary School

**UNIVERSITY HILL ELEMENTARY**  
diverse. unique. engaged.

## Who We Are

- Vibrant, diverse community of 21<sup>st</sup> Century learners
- Dedicated and collaborative team of teachers, support workers and administration
- International reputation for academics and student support services
- Outdoor Natural Science Education and Technology focus school

## Where We Are

- Situated on the University Endowment Lands at UBC
- Nestled in the forest steps away from Spanish Banks
- Surrounded by forest trails and streams with outdoor classrooms at and near the school grounds
- large classrooms in single floor building, a food garden & orchard, two playgrounds and grassy fields

*U Hill achieves a high standard of educational excellence and its students benefit from the deep involvement of the teachers, parents, support staff, administration and external partnerships that make up this amazing school community; set wondrously amidst the beautiful Pacific Spirit Park. Our three children are thriving in this environment.*

*~ Nancy Brown and Norm Lo,  
parents*

## What We Do

- Deliver an outstanding, well-rounded academic program
- Connect communication, thinking, personal and social competency to life-long learning
- Access Scientists and Artists in Residence programs
- Learn with the Advanced Molecular Biology Lab (AMBL), UBC Modules in Ecology & Evolution and Development Program (MEED), UBC Health Sciences, UBC Human Kinetics Department
- Work with Think & Eat Green Schools, Evergreen Gardens, Young Naturalists' Club of BC

*At U Hill, we have a lot of nature. The beach is close, the eagles are flying & we have lots of space to play.*

*~Rafael, student*

*We go into the forest to learn.*

*~ Kiernan, student*
