Dear Parent/Guardian:

RE: Numeracy 8

Based on teachers' recommendations, and your child's achievement in Mathematics, it is recommended that your child enroll in a block of the Numeracy 8. This course is designed to support students who have not yet met the curricular competencies of Mathematics 7. It provides students an opportunity to learn and develop the necessary skills and understanding required to be successful in future mathematics courses. This course will replace Mathematics 8 in your child's schedule.

Should you require additional information, please contact your child's new Grade 8 Counsellor, Mr. Nick Van Iersel at 604- 713-8215 or email: nvaniersel@vsb.bc.ca
