SATP Parent Survey

Windermere Secondary is participating in the City of Vancouver's School Active Travel Planning (SATP) program to encourage and promote walking and cycling to school. The program takes place over two years and includes several types of projects to address barriers to active travel. To learn more about the program, please visit: <http://vancouver.ca/streets-transportation/school-active-travel-planning.aspx> Every family's feedback is important to the success of the program. Please take 10 minutes to complete the survey found here: <https://survey.vancouver.ca/s3/Year1-Survey-Windermere-Secondary>. This information will help us create a school travel plan that considers the needs of the school's students and families. **Please complete ONE survey per child by March 5, 2021.**

## Ministry of Education 2021 Student Learning Survey

The Ministry of Education Electronic Anonymous Student Learning Survey gathers information from parents, teachers and students on topics related to school environment, safety, and achievement. The information will help us plan by identifying strengths, as well as determining needs to focus improvement.

During the first week of February, grades 10 and 12 students completed the Ministry of Education 2021 Student Learning Survey. Parents/Guardians/Caregivers of grades 10 and 12 students are asked to complete the survey before it closes **Friday, April 30**.

To complete the electronic survey, go to: [www.bced.gov.bc.ca/sat\\_survey/access.htm](http://www.bced.gov.bc.ca/sat_survey/access.htm). In the Parent section, under the Direct Access section of the log in page, select the school district (39 Vancouver), school name (Windermere Community Secondary) and language.
