

Health Care Assistant

Are you considering a future in health care?

The Vancouver School Board in partnership with VCC are offering high school students the opportunity to participate in the Health Care Assistant program.

Program Details

This program is designed to provide students with opportunities to develop the knowledge, skills and attitude necessary to function effectively as front-line care-givers in community and facility settings.

Limited seats are available for this program.

Classes are held at VCC Broadway Campus for 29 weeks, beginning in September.

Costs to the Student

The Vancouver School Board covers the cost of tuition. Students are required to pay approximately \$1000 for college fees, U-Pass, textbooks and supplies.

Requirements

Upon acceptance students will be required to: complete a criminal record check, obtain a properly fitted respiratory mask, submit negative TB skin test and immunization history. See VCC program specific requirements.

How to Apply

Complete a Dual Credit application package and submit it to either your Counsellor or Teacher. To obtain an application visit: www.careerprograms.vsb.bc.ca.

To learn more about the Health Care Assistant program visit: www.vcc.ca

Application Deadline: NOVEMBER 30
